Attn: Mr. Ntambi George

**APPRECIATION FOR OUTSTANDING CONTRIBUTION TOWARD SAVING LIVES OF CHILDREN WITH CONGENITAL HEART ABNORMALITIES.**

On behalf of the Ministry of Health, I extend our heartfelt appreciation to Action for Disadvantaged People (ACDIPE) through "the Saving Little Innocent Patients (SALIP) program" for your remarkable efforts towards the dedication to identify, support, and facilitate treatment for children born with complex congenital heart diseases which has brought hope and healing to many families across Uganda.

We commend your partnership with Narayana Health Hospital in India, through which more than 600 children have received life-saving surgeries since 2009. Your efforts have helped meet the high demand for pediatric heart surgeries and strengthened Uganda's commitment to providing fair access to specialized healthcare for all children.

The Ministry recognizes ACDIPE's tireless work in mobilizing resources, coordinating medical logistics, and providing psychosocial and post-surgical support to patients and their families. Your model of compassion, transparency, and collaboration reflects the highest ideals of community service. The Ministry looks forward to ACDIPE's continued support, including policy collaborations and joint awareness on congenital heart disease.

Please extend our heartfelt gratitude to your team, partners, and all supporters who make this noble cause possible. The Ministry applauds your contribution to building a healthy, productive population that drives socio-economic growth and strengthens national development.

Yours Sincerely,

Dr. Aceng Jane Ruth Ocerro
